

IMPORTANT COVID-19 NOTICE

As Covid-19 pandemic continues to escalate and in line with Government advice, we have made the difficult decision to close Farnham Estate Spa & Golf Resort from 12pm tomorrow, the 18th of March.

It is not a decision that was taken lightly, however the health and safety of our team members and our Guests is of paramount importance. We plan to reopen as soon as possible and will await further guidance from the Government.

During the closure, our reservations and events team will still be contactable by email info@farnhamestate.ie or by phone +353 (0) 49 437 7700 if you have any queries.

We greatly appreciate your support during this un-precedented time, and we look forward to opening our doors soon and welcoming our Guests again in the future.

For now, stay safe and take care of each other.

A handwritten signature in black ink, appearing to read 'Oliver Sevestre', is written over a faint, light blue circular watermark.

Oliver Sevestre

General Manager
